

## **Why you should register with a recruiter today!!**

Did you know that registering with a recruitment agency could be your most efficient move yet? Not only will it save you time but can it can open up a wider range of options that you might not be able to access.

Recruiters tap into the hidden job market and therefore receive inside information or a 'heads up' regarding job vacancies. Some vacancies do not actually make it to advertising. By registering with recruiters, if you are the right fit for a company, you can secure your next job role before it's even published!

When you apply for a job directly, your resume lands with a pile of others for short listing. A recruiter will work on your behalf to maximize your chances of reaching interview stage by speaking directly with the decision maker about YOU. Recruiters have long standing relationships and contacts in many industries and their opinions and recommendations are well respected. Allowing someone to recruit on your behalf maximizes your chances of success in getting the job you desire.

We all know how time consuming job searching is, with application forms & role specific resumes to contend with. By registering with a recruiter you are partnering with a specialist who will sell you to prospective employers without having to adjust every application.

Don't worry if you do not see a specific job role suitable for you today; based on the skills you can offer, we will work 'behind the scenes' on your behalf, liaising with companies to secure your next job interview. Recruiters are aware of vacancies before companies are so make sure you register with us now not to miss out and we will work with you to change the success of your future. We believe people matter and creating long lasting relationships make the difference!
